- Firebase

Work History

**2020-07 –
2020-08**

Front-End Developer Intern

HNGi7, Lagos, Lagos

- Designed and implemented web applications along with 3rd-party software integrations as a web team liaison for all inter-departmental and customer-facing projects.
- Developed membership, event, and legal platform technology solutions, and automated internal processes.

- Used critical thinking to break down problems, evaluate solutions and make decisions.

**2019-03 –
2019-09**

University Student Ambassador

Rubies Microfinance Bank, Lagos

- Onboarded numbers of customers to sign up for rubies MFB, exceeding target of 100 sign ups.
- Created plans and communicated deadlines to complete projects on time.
- Worked with a team to publicize the opening of a Digital Bank on campus.
- Proved successful working within tight deadlines and fast-paced atmosphere.

Education

**2019-09 –
Current**

Bachelor of science: Civil Engineering

University of Lagos – Lagos, Nigeria

Projects

FIFA APP

- Created a website easy to navigate and visually appealing to user.
- Worked on a project that helps gamers and upcoming gamers learn new techniques from the pros.

CASA HOTEL

- Utilized semantic HTML CSS and Javascript to ensure website is easy to navigate.
- Worked with a team at HNGi7 to test code using best practices for website development.
